

Range Rental Gun Program

Thank you for your interest in the XS® Sight Systems Range Rental Gun Program! XS® Sights offers sight options for most modern firearms that improves sight acquisition speed and follow up shots. Big Dot® sights are designed to give shooters an edge in defensive shooting situations making them ideal for home defense and conceal carry. R3D 2.0 Night Sights have a wider notch and simple rear to drive focus to the front sight.

To qualify for the Range Rental Gun Program, complete the information below and email dealers@xssights.com

The Range Rental Gun Program allows ranges to order one free set of sights to install on a rental gun, allowing customers to see the XS Sights Advantage first hand.
